CMSI Teams

Nepal 2020

Visit Nepal on a CMSI Team

What is a CMSI Team?

CMSI teams provide opportunities for individuals from Ireland to visit one of our partners in another part of the world, to experience life, faith and work there and to sample something of a different culture.

A CMSI team involves training and preparation in the months before the visit, the experience itself and some follow-up meetings afterwards.

Joining a CMSI Team is a great way to deepen your understanding of global mission and to help develop deeper connections within God's global family.

Where?

The team will be based in Kathmandu, but the programme is likely to include a visit to a rural community hospital in Lamjung District.

When?

The visit will take place during two weeks in November 2020. Specific dates will be set once the team has been selected and flights have been checked.

What?

The programme will include: engaging with disabled children at SD Church's Rehabilitation Centre and the ABBS daycare centre; visiting Lamjung District Community Hospital; helping with capacity building and training.

Preparation

There will be three training/team building sessions prior to departure, which team members are required to attend. These are provisional scheduled for:

- ✦ **Saturday 1st February**, 10am-3pm; venue to be confirmed.
- ✦ **Saturday 25th April**, 10am-3pm; venue to be confirmed.
- ✦ **Sunday 17th May**, afternoon/evening; final team gathering and commissioning in St. Mark's, Dundela (Belfast).

Cost

The cost is **£1600** per person. This includes flights, travel insurance, visas, accommodation, food, training and preparation. The cost of vaccinations is *not* included. Should you decide to withdraw from the team, a £50 non-refundable deposit will be retained by CMSI, along with any costs incurred for your training, bookings etc.

Given the high cost, we encourage churches to help with fundraising.

Who can apply?

The team is open to any member of a CMSI link parish or other local church. Team members should be aged 18+ (unless travelling with family members). A minimum of six people is required to make up a viable team for this visit.

How to apply

You can apply for this team online via the CMSI website, or you can request a paper form. The deadline for applications is **25th October**. We'll then contact you with a date for an informal interview, which will take place in Belfast in November.

If you have any questions, or would like to request a paper version of the application form, please contact our Personnel Manager, **Gillian Maganda**, in CMSI's Belfast office - personnel@cmsireland.org; **028 90775020**.

Connect • Equip • Transform

CMSI exists to help the Church change lives.

We make connections between different parts of God's global family and we equip churches and individuals as they engage in transforming mission.
